1 This action was filed on October 27, 2006. At the first case management conference, held
2 on March 2, 2007, the Court ordered the following case management schedule:

3 September 7, 2007: Last day to file cross motions for summary judgment

4 September 21, 2007: Last day to file opposition to summary judgment

5 September 28, 2007: Last day to file reply briefs for summary judgment

6 October 12, 2007: Oral argument for summary judgment

7 November 27, 2007: Pre-Trial Conference

8 December 3, 2007: Trial

9 By stipulated request on June 18, 2007, the Parties requested the adoption of the following
10 schedule:

11 October 27, 2007: Close of non-expert discovery; exchange of expert reports

12 November 9, 2007: Exchange of expert rebuttal reports

13 November 23, 2007: Close of expert discovery

14 December 7, 2007: Last day to file cross motions for summary judgment

15 December 21, 2007: Last day to file opposition to summary judgment

16 December 28, 2007: Last day to file reply briefs for summary judgment

17 January 11, 2008: Oral argument for summary judgment

18 February 26, 2008: Pre-Trial Conference

19 March 3, 2008: Trial

20 This schedule was adopted by the Court on June 29, 2007.

21 On November 16, 2007, the Court entered an order resetting some litigation deadlines.
22 The following schedule was adopted:

23 December 7, 2007: Expert Discovery due

24 January 4, 2008: Last day to file cross motions for summary judgment

25 January 18, 2008: Last day to file opposition to summary judgment

26 January 25, 2008: Last day to file reply briefs for summary judgment

27 February 8, 2008: Oral argument for summary judgment

1 On January 31, 2008, the Court entered an order resetting the hearing on the cross-
2 motions for summary judgment to February 15, 2008.

3 There are several pretrial requirements that must be completed in the weeks before the
4 current March 3, 2008, trial date. As the Court's decision on the cross-motions for summary
5 judgment is likely to affect the issues, if any, to remain for trial, there is good cause to modify the
6 trial schedule in light of the change in the summary judgment hearing. Accordingly, the parties
7 propose the following schedule:

8 April 22, 2008: Pre-Trial Conference

9 April 28, 2008: Trial

10 Dated: February 1, 2008
